

Hurricanes, Tsunamis, and Earthquakes: What's God Got to Do with It?

April 15 and 22 from 7-9PM
Grace United Methodist Church
Corner of Haskell & Junius

Led by Dr. John Holbert, Lois Craddock Perkins Professor of Homiletics at Perkins School of Theology, SMU, these two evenings will include theological discussion with no questions off limits and no simple answers provided.

Please bring a Bible. A reading of the first 12 chapters of Jeremiah, the entire book of Job, Luke 13:1-5, and John 9 will prove helpful.

Please bring your neighbors and friends.
